

2021 Windsor United Church of Christ Annual Meeting

On January 31 we will hold our Annual Meeting virtually via Facebook Live. The live stream will start shortly after the Facebook “Premiere” service that morning. It will be approximately 9:30 A.M.

The worship service at 9:00 will end, and the meeting will be a NEW, separate livestream. This is like we did for the Determination of Call meeting and vote for Pastor Craig in April of last year.

For those that subscribe to Windsor UCC on Facebook, you should get a notification when the Annual Meeting stream is beginning. For those that do not, you may go to www.facebook.com/windsorucc1 and click on the video with the “Live” icon on it, like one of these:

This should get you to the Live broadcast of the Annual Meeting. There will be a few moments of music to allow people to join the meeting.

Agenda

The two main points of the agenda will be approving the budget and approving the slate of officers. If you have questions before voting, you will have an opportunity to ask during the meeting (see below).

Once you have determined how you would like to vote, you may go to the website www.windsorucc.com/vote and vote on both the budget and officers. **This link will be available on January 31.**

Questions

We understand there may be questions during the meeting. There are several ways to have your questions asked.

1. Comment in the Livestream – you may comment in the livestream just as you would during a worship service.

2. Call the office and leave a message – if you are not a Facebook member you may call the office and leave a message with Barb before the meeting. Barb will prepare a list of questions to be asked that day. Please leave your message by Friday, January 29th at Noon. The office phone number is 608-846-5731
3. Email the question – you may also email the question by Friday, January 29th at annualmeeting@windsorucc.com.
4. Phone a friend – If you are not able to comment on the Livestream and have a question that day, you may call another member of the congregation and ask them to leave a comment for you. John Stravinski and Matt Sutherland can also be called during the meeting and they can comment for you.
 - a. John Stravinski – 608-335-6007
 - b. Matt Sutherland – 608-628-2283

Jon Rouse will compile the questions that day as they come in and present them to the Moderator during the meeting.

Technical Issues

We expect this to go off without issue, but as always there could be technical issues. If you have trouble getting onto the Livestream or have any other technical issues you may try to contact John or Matt and they will try to assist.

Thank you. Your participation in this meeting is valued and important. Please do not be afraid to reach out if you have any questions.
